

CA Proposition 65 Compliant

April 18th, 2024

To whom it may concern

Proposition 65, also known as the Safe Drinking Water and Toxic Enforcement Act, require businesses to provide a clear and reasonable warning to California consumers about potential exposures to chemicals that are known to cause cancer, or other reproductive harm.

Aerotrónica do not use any of the chemicals listed in Proposition 65.

We work closely with our suppliers to ensure that the materials and components used in our products meet these standards.

A handwritten signature in black ink, appearing to read "L. Varona".
